You'll love the privacy of your own patio home or apartment combined with the freedom that comes with a variety of personally engaging amenities. And you'll find companionship with people who share similar likes and interests, along with the broadest range of opportunities possible for arts and culture, education and recreation. Knowing that your future is secure here enables you to fully embrace all that our active community has to offer.

CLOVERWOOD PATIO HOMES

Our spacious homes feature high ceilings, eat-in kitchens with bay windows and all appliances, washers and dryers, wall-to-wall carpeting, large walk-in closets, one and a half or two baths, ample storage space, and either a deck or patio.

To maximize your space at Cloverwood, you may select a patio home with a lower level and a two-car garage. Many patio homes offer such special accents as dens, gas fireplaces and sunrooms.

CLOVERWOOD APARTMENTS

Our generously sized one-bedroom, two-bedroom or two-bedroom with den apartments are well appointed with the appliances you need, one and a half or two baths, and ample storage space. First-floor apartments feature garden patios; second-floor apartments have easy access to lovely, spacious porches.

The apartments are part of the Village Center in the main building and are served by elevators, making it easy to get to virtually all on-campus amenities without having to go outside in inclement weather.

Imagine your life at Cloverwood.

Be comfortable, be inspired and be yourself.
